109	NICKEL STAIN, HIGH CARBON, OCTAGON BARRELS	
110	Note: Nickel stained receivers; some lever actions; shotguns with metal fore-ends;	
111	other Octagon barrels are treated differently so that the resurfacing is consistent.	
112	These unique characteristics from days past; and imports are harder to simply	
113	chart a price. For example barrel removal is essential for Nickel Staining.	
114	Thus you may call us with specific questions and we'll be more than happy to discuss it with you.	
115

129	PARTS OF FIREARMS ONLY (BY PERCENTAGE)	
130	NOTAS: HANDGUNS: Sometimes we are asked to only plate a receiver or half a firearm.	
131	You may want a matt chrome receiver on a .45 that was all blued or visa versa,	
132	a chrome top on a blue gun. We can do that. Go to the plating pricing table and	
133	select the finish you want. Lets say you wanted to plate a slide only in Brush Chrome.	
134	Price 170.00 for the whole gun. Slide only is 40% of \$170.00 or cost to you is \$68.00 for the slide only.	
135		
136	FRAME ONLY	45%
137	Slide Only	40%
138	Handgun Barrels	15% /40%
139	Frame Assembly	75%
